FERNOX
MAKES WATER WORK

Product Catalogue

Water Treatment Products

All products on this page treat a 100 litre system or up to 10 single radiators.

Liquid Products

'F' 500ml range

100 L

80 m²

Protector F1
Code: 56599 Carton Qty 10

- Long term protection against corrosion and limescale
- Stops frequent venting of radiators

100 L

80 m²

Boiler Noise Silencer F2
Code: 56602 Carton Qty 10

- Reduces boiler noise
- Improves heat transfer efficiency

100 L

80 m²

Cleaner F3
Code: 56600 Carton Qty 10

- Removes sludge, scale and debris
- Restores heating efficiency

100 L

80 m²

Leak Sealer F4
Code: 56603 Carton Qty 10

- Stops small leaks
- Ideal for reducing pressure loss from sealed system

100 L

80 m²

Energy Saver F6
Code: 60216 Carton Qty 10

- Improves heat transfer efficiency
- Can contribute to lower energy usage

Aerosols

'F' 265ml & 280ml range

100 L

80 m²

Protector F1 Express
Code: 58229 Carton Qty 10

- Long term protection against corrosion and limescale
- Stops frequent venting of radiators

100 L

80 m²

Boiler Noise Silencer F2 Express
Code: 58231 Carton Qty 10

- Reduces boiler noise
- Improves heat transfer efficiency

100 L

80 m²

Leak Sealer F4 Express
Code: 58232 Carton Qty 10

- Stops small leaks
- Ideal for reducing pressure loss from sealed system

100 L

80 m²

Cleaner F5 Express 280ml
Code: 58230 Carton Qty 10

- Removes sludge, flux and debris
- Convenient and simple to use

100 L

80 m²

AF10 Biocide Express 280ml
Code: 59650 Carton Qty 10

- Universal biocide for the prevention of bacterial contamination
- Suitable for underfloor heating

Superconcentrates

'F' 290ml range

100 L

80 m²

Protector F1
Code: 56700 Carton Qty 10

- Long term protection against corrosion and limescale
- Stops frequent venting of radiators

100 L

80 m²

Boiler Noise Silencer F2
Code: 56702 Carton Qty 10

- Reduces boiler noise
- Improves heat transfer efficiency

100 L

80 m²

Cleaner F3
Code: 56701 Carton Qty 10

- Removes sludge, scale and debris
- Restores heating efficiency

100 L

80 m²

Leak Sealer F4
Code: 56703 Carton Qty 10

- Stops small leaks
- Ideal for reducing pressure loss from sealed system

Inhibitors and Anti-freeze

For protection against frost or limescale

100 L

80 m²

Protector MB-1 4 litre
Code: 23992 Carton Qty 1

- Protects against corrosion and limescale
- Treats 100 litres or up to 10 radiators

100 L

80 m²

Alphi-11 5 litre
Code: 61033 Carton Qty 2

- Combined anti-freeze and protector
- Protects against corrosion and limescale

100 L

80 m²

Alphi-11 25 litre
Code: 23980 Carton Qty 1

- Combined anti-freeze and protector
- Protects against corrosion and limescale

Cleaners

For heavily sludged systems

100 L

80 m²

Powerflushing Cleaner F5 1 litre
Code: 56608 Carton Qty 10

- Removes sludge and scale and restores heating efficiency of existing systems
- Ideal for use when powerflushing

100 L

80 m²

DS40 System Cleaner 1.9Kg
Code: 61102 Carton Qty 6

- Powerful acid descaler and sludge remover
- Eliminates boiler noise

100 L

80 m²

System Neutraliser 2Kg
Code: 61009 Carton Qty 6

- Neutralises system water after using DS40 System Cleaner
- Free flowing powder for easy use when powerflushing

Limescale Remedies

For hard water over 200ppm

100 L

80 m²

Electrolytic Scale Reducer
Code: 58263 Carton Qty 10

- In-line scale reducer to prevent the build-up of scale
- Whole house protection. Complies with Part L

100 L

80 m²

Magnetic Scale Reducer
Code: 58264 Carton Qty 10

- In-line scale reducer to prevent the build-up of scale
- Single appliance protection. Complies with Part L

100 L

80 m²

DS-3 Limescale Remover
Code: 2kg: 61027 Carton Qty 4
30kg: 24066 Carton Qty 1

- Powerful acid limescale remover
- Suitable for all types of appliances

100 L

80 m²

Limescale Preventer
Code: 61015 Carton Qty 10

- 'Bag in the tank' scale reducer
- Prevents build-up of limescale throughout the home

Disinfectants

For bacteria contaminated systems

AF10 500ml
Code: 57551 Carton Qty 10

- Universal biocide for the prevention of bacterial contamination
- Suitable for underfloor heating

LP Sterox 1 litre
Code: 56609 Carton Qty 10

- Effective against legionella and pseudomonas
- Penetrates and removes biofilm

LP Sterox Test Strips
Code: 56726 Carton Qty 10

- For use with LP Sterox
- 50 strips per bottle

Sterox (tablets)
Code: 61013 Carton Qty 4

- Chlorination kit for hot and cold water systems
- Sufficient for five average domestic systems

Commercial Products

For HVAC commercial systems

HVAC F1 10 litres
Code: 57572 Carton Qty 1

- Central Heating Protector for mixed metal commercial and HVAC heating and cooling systems
- Maintains efficiency of system

HVAC F3 10 litres
Code: 57573 Carton Qty 1

- Central Heating Cleaner for mixed metal commercial and HVAC heating and cooling systems
- Removes sludge and scale

DS-10 7kg
Code: 61029 Carton Qty 2

- Dryside cleaner
- Cleans the combustion surfaces of modular boilers

External Repair Products

For emergency repairs

LS-X 50ml
Code: 61016 Carton Qty 12

- Ideal for use on compression joints and screwed fittings
- Safe to use with drinking water

Leak-Fix
Code: 61010 Carton Qty 10

- Emergency repair tape
- For use on metal, plastic and rubber pipes

Equipment

For powerflushing and dosing

Powerflow Flushing Pump MKIII
Code: 56779 Carton Qty 1

- Powerful, acid-proof flushing pump
- For effective removal of corrosion debris, sludge and scale

TDS Meter
Code: 37641 Carton Qty 1

- For easy on-site measurement of total dissolved solids
- Ideal for use when powerflushing

Injector
Code: 24122 Carton Qty 1

- Allows fast introduction of all Fernox treatments
- 5 litre capacity

Powerflow Pump Head Adapter
Code: 55568 Carton Qty 1

- For easy connection of power flushing machines to central heating systems via the body of circular pump

Heat Transfer Fluids

For solar, underfloor and heat pump systems

Solar S1
Code: 25L: 57673, 20L: 57674, 10L: 57675 Carton Qty 1

- Antifreeze and inhibitor formulated for high temperature solar applications
- Provides frost protection to -28°C

Solar S1 Concentrate
Code: 5L: 62080, 10L: 62081 Carton Qty 1

- An inhibited heat transfer fluid for all solar thermal applications
- Frost protection to -28°C

HP-5
Code: 20L: 58995, 25L: 58996 Carton Qty 1

- Provides frost protection to -5°C
- Suitable for Air and Ground Source Heat Pumps

HP-5c
Code: 10L: 58997, 25L: 59378 Carton Qty 1

- Provides frost protection from -4°C to -14°C
- Suitable for Air and Ground Source Heat Pumps & underfloor heating

HP-15
Code: 20L: 58998, 25L: 58999 Carton Qty 1

- Provides frost protection to -15°C
- Suitable for Air and Ground Source Heat Pumps

HP-15c
Code: 20L: 59002, 25L: 59003 Carton Qty 1

- Provides frost protection from -14°C to -34°C
- Suitable for Air and Ground Source Heat Pumps

Renewable Technology

Additional products

Solar Cleaner C 500ml
Code: 59430 Carton Qty 10

- Concentrated universal cleaner for solar systems
- One 500ml bottle treats 25 litres of system water

HP Fill
Code: 1L: 59180 Carton Qty 10
10L: 59181 Carton Qty 1

- Protects against bacterial and fungal growth in Ground Source Heat Pumps Systems
- Treats up to 600 linear meters of pipework

HP Cleaner
Code: 1L: 59182 Carton Qty 10
10L: 59183 Carton Qty 1

- Cleans and disinfects closed loop Ground Source Heat Pumps systems
- Treats up to 600 linear meters of pipework

Traditional Plumbing Consumables

For use with soldering and general plumbing jobs.

Physical Devices	Scale reducers, condensate and magnetic devices
------------------	---

TF1 Total Filter
Code: 22mm: 59256 Carton Qty 4
28mm: 59257 Carton Qty 4

- Removes and contains magnetic and non-magnetic contaminants
- Fast to fit and easy to clean

TF1 Compact
Code: 62131 Carton Qty 4

- Removes and contains magnetic and non-magnetic contaminants
- Ideal for installations where space is restricted

TF1 Installer's Pack
Code: 22mm: 59998, 28mm: 60009

- Includes a TF1 Total Filter, F1 and F5 Express

Powerflushing Filter
Code: 62084 Carton Qty 1

- Premium quality, magnetic filter for use during powerflushing
- Connects directly on to any powerflushing machine

MaxMag
Code: 62134 Carton Qty 1

- Magnetic roller used to agitate sludge in radiators
- Helps reduce cold spots

TF1 Flushing Adapter
Code: 59980 Carton Qty 1

- Easy connection of a Fernox Powerflushing Machine via a TF1
- Full flow rate possible

Test Kits	For on-site and off-site analysis
-----------	-----------------------------------

Protector Test Kit
Code: 37906 Carton Qty 1

- Gives rapid on-site analysis of the concentration of all Fernox protectors
- Kit includes sufficient reagent for 25 system checks

Water Analysis Test Kit
Code: 38983 Carton Qty 1

- Rapid on-site analysis of central heating system water
- Simple colour charts for measuring concentrations

Cleaner F3/F5 Test Kit
Code: 59265 Carton Qty 1

- Simple and accurate on-site testing of Fernox F1 Protectors and F3/F5 Cleaners
- Enables complete confidence in 'right first time' system flushing

System Health Check
Code: 61161 Carton Qty 20

- Identifies defects in the system or treatment
- All major water parameters tested

Renewable Technology Health Check
Code: 59084 Carton Qty 20

- Identifies defects in the system or treatment
- All major water parameters tested

Refractometer
Code: 55586 Carton Qty 1

- Antifreeze test instrument
- Adjustable eye piece

Consumables	Solder, flux and PTFE tape
-------------	----------------------------

Powerflow Flux
Code: 100g: 20437 Carton Qty 20
350g: 20436 Carton Qty 10

- Effective soldering flux
- WRAS approved product

Lead Free Solder
Code: 500g: 59955 Carton Qty 20

- Available in leaded and Lead free
- Available in 250g and 500g reels

Leaded Solder
Code: 500g: 59952 Carton Qty 20

- Available in leaded and Lead free
- Available in 250g and 500g reels

Fernox Flux
Code: 225g: 61006 Carton Qty 20
450g: 61007 Carton Qty 10

- Non-acidic, non-toxic, zinc chloride free
- Self cleaning

Fluxite
Code: 100g: 22193 Carton Qty 20 450g: 20423 Carton Qty 6

- Multi-purpose paste flux
- Quick and clean to use

Standard Tape
Code: 12mm: 61017 Carton Qty 200
25mm: 61018 Carton Qty 125

- Thread seal tape
- Complies to BS EN751-3

Hawk Jointing Compounds	Potable and general purpose
-------------------------	-----------------------------

Hawk White
Code: 200g: 61025 Carton Qty 45
400g: 61024 Carton Qty 24

- Pipe jointing compound
- Complies with BS EN 751-2 Class A

Water Hawk
Code: 200g: 61001 Carton Qty 20
400g: 61023 Carton Qty 18

- Jointing compound for use with hot and cold potable water
- WRAS approved product
